

We're working on a plan to repair/replace the statues of Our Lady & St. Bernadette that were vandalized on February 25.

We're still investigating whether the statues can be economically repaired, and have pricing to replace the statues if necessary. We will be adding fencing around the grotto and are fortunate that one of our parishioners has graciously donated his labor to help us manage that portion of the cost. Lastly, we will be enhancing security lighting and adding more cameras. The total estimated cost is \$10,000. Many people have stepped forward to contribute, but we're not there yet.

If you would like to contribute to the fund to repair/replace the statues, we welcome your donations. *No donation is too small!* You can contribute in any of the following ways:

1. Stop by the rectory during business hours and make a donation. The rectory is open
